

HIGH PEAK 40 MILE CHALLENGE

RESULTS

2015

Dear competitors

The twenty-ninth High Peak 40 is now behind us. It seemed to come round very quickly after the twenty-eighth.

Twelve months ago I published the course records and posed the question when would they be beaten. I am very pleased to confirm that the ladies course record was broken by Sally Fawcett, a member of Dark Peak Fell Runners. Her time was **6.07.37** and what's more Sally was second overall.

The course records are therefore as follows :-

- Men overall – Mick Bradley (1997) in **5.02.41**.
- Ladies overall – Sally Fawcett (2015) in **6.07.37**

I think, Gentleman, it's your turn next but don't bank on it!!

Check point times and certificates will be issued later by e-mail where possible – maybe as late as November.

The 2016 High Peak 40 will be on Saturday 17th September and I hope to see many of you then. Entries will be open in the New Year.

I have said a great deal about the volunteers who help out on the day and without whom this event could not take place. Some of them I know but some I have never even met. My most heartfelt thanks go to all of them.

Finally thanks to all of you for taking part and I hope to see you all next year. Don't forget the date --- **Saturday 17 September 2016**.
