Dear Competitors,

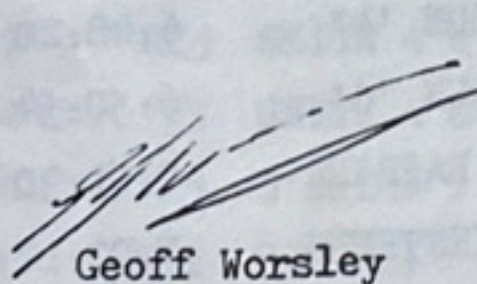

We would like to take this opportunity to thank you all for entering this event. It was the first time that this event has been held and we were so delighted with the response you gave us (we've just come down off cloud 9). With the event going so well we are happy to announce that it will now definitely be an annual event.

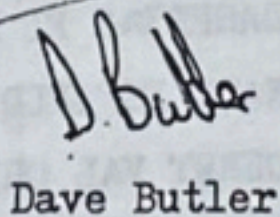

We apologise for the lateness of the results, but we had a slight mishap with the computer (it broke down), and one of the organisers went on holiday for a fortnight (to recover). We wish to thank all those who helped out on the day, 112 people in all, both for their assistance on the day, and the support they gave us prior to the event.

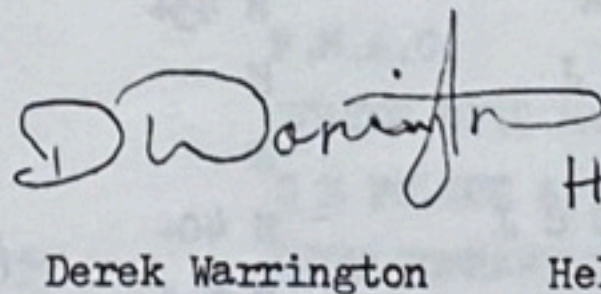

The event itself raised enough money for us to give £100 to both the Buxton Mountain Rescue and the St. Johns Ambulance Brigade, both went out of their way to provide us with their support. £100 also goes to Alderbrook School in Chinley, which is a special school for the mentally handicapped, and £50 for the Buxton Athletics Club who also helped out on the day.

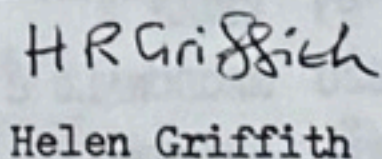

Next year we will be sending out a mailshot to everyone who entered this year, complete with an entry form, and we will have a different computer system set up, which will mean a quicker and more comprehensive set of results. We hope that we will see many of you again next year, and for those of you who are going to enter again, perhaps now is a good time to start praying for similar weather to that we had this year, for there is no doubt the weather was ideal.

Many thanks once again,

Geoff Worsley

Many thanks to our main sponsor Otter Controls Ltd. who provided transport and facilities, and many other things material and otherwise.

Without the help and co-operation of all those people mentioned the event would have been extremely difficult, if not impossible to run. However we would also like to thank the husbands and wives of the people involved for being so understanding, and allowing their spouses late night passes so they could organise this event.
